## Message from the President

On behalf of the Board, I hope everyone had an enjoyable summer at the Club. We celebrated our end of season summer bash last Friday with over 200 fellow members and the event received great reviews! Thanks to all of you who joined us for us an evening of fun and camaraderie. We look forward to more fun activities as we move into fall.

Membership continues to grow, the course is in great shape (notwithstanding potential flooding as I type) and fall is always one of the best times to enjoy the best course for walking in central PA.

We trust you enjoyed your time at the Club this summer and look forward to seeing all of you this fall!

Thanks again for all of your support, positive comments and feedback as we work together to continue to grow our membership and meet the expectations of our members.

## Message from our General Manager

Hello Carlisle Country Club Members!

Where has the summer gone? It seems like just yesterday we were opening the pool. Speaking of which, the Labor Day weekend is nearly upon us leading to the end of pool season, and we have a lot of festivities lined up for our Member families. On Friday the 3rd we have the last 1st Friday Pool Party of the season with tons of family fun and good food. Then on Saturday the 4th, we have the Ladies Labor Day Tournament; followed by the Men's on Sunday the 5th and Monday the 6th. The big Labor Day pool festivities will be held on Sunday the 5th with a special Labor Day cook out from noon till 3:00 pm. Lots of structured games and fun in the sun for the last hurrah of summer. On Monday the 6th, Labor Day proper, we will have the pool and Snack Shack open for your leisurely enjoyment. And a traditional Burger cook out will be available again, from noon till 3:00 pm.

A special THANK YOU to all the Member families that came to our end of season bash, "Looking to the Future" to learn of all the great things happening at the club. We had 227 people RSVP to attend and nearly everyone showed up including a few folks as walk-ins; what a great evening (despite the light sprinkle of rain, compliments of Mother Nature, to help cool things off and keep the bugs at bay.) I have included a page of highlights from the event in this newsletter, please be sure to check it out.

As I see it pouring rain from the remnants of Hurricane Ida, while I pen this, I think back about all the great golf tournaments over the past few weeks and the Labor Day Tournaments this coming weekend should follow suite. My concern is whether or not the creek will jump it's banks and the bottom holes be playable. Please be on the lookout for messages pertaining to playability and course adjustments that may need to be made.

See you around the Club,

Vince

## Message from our Golf Professional

Hello Members,

It's been a whirl wind of a season so far and I'd like to thank all the members for their patience and understanding while we continue to get through the year understaffed.

September will be a heavy month with 4-5 outings. 2 on Mondays, a couple on Wednesday's and 1 on Thursday, so keep your eye open for those and look for a member morning shotgun on those weekday outings.

A short list of some upcoming member events are:

Sept. 4<sup>th</sup>, Ladies Labor Day Tournament

Sept. 5<sup>th</sup> - 6<sup>th</sup>, Men's Labor Day Tournament

Sept 10<sup>th</sup>, Friday Night Couples

Sept. 18<sup>th</sup>, Ladies Club Championship

Sept. 27<sup>th</sup> – 29<sup>th</sup>, Golf Course Aerification

Oct. 16<sup>th</sup>, Night Golf

One last thing that I'd like to remind everyone, is to repair your ball marks on the green plus one. "It's the industry's oldest problem," says Golf Digest. "There are fewer people repairing ball marks then there used to be. I believe it's to do with so many factors. There is awareness, respect and lack of knowledge of etiquette.

Here are 5 things every golfer should know:

1. The proper technique for ball mark repair is easy and fast.
2. Unrepaired ball marks cause lasting problems.
3. Certain putting greens are more vulnerable to ball marks than others.
4. Soft conditions mean more ball marks.
5. Almost any pointed tool can be used to successfully repair a ball mark.

Play Well,

Dan Baker, PGA

## Message from our Golf Course Superintendent

They say it is always most beautiful immediately after the storm...I think today proves just that. After about five inches of rain from Tuesday to Wednesday evening, Ida certainly left its mark on CCC. The immediate forecast looks spectacular though, so we will take that and move forward. This will be a very quick note as we have plenty of work to do in preparation of the holiday weekend. Thus far the flood is not that bad compared to say this past Christmas's event, however we have not peaked yet and we do not know how much silt is going to be left. Currently the water is pretty murky so I am not very hopeful, but as always we will work with the rest of the club leadership to provide the best possible scenario for the upcoming tournaments. Aside from the water, there is minimal damage to the course otherwise with one tree down near #15 green and some smaller debris.

Our staff has been reduced to a minimum for the remainder of the season, fortunately however we do have two high schoolers that will continue to work weekends for us this fall. There are a few small projects on the horizon over the next month, as well as billions of holes into early October. For those of you who attended the event last Friday evening, you should have noticed some shiny new red toys. The light duty carts included in our lease package arrived shortly after noon that day. The latest on the fairway units and heavy duty carts is mid-September and the aerifier I am still unsure of. Happy early Labor Day weekend and we look forward to seeing you out on the course!

Not sure this whole flooding thing affects me as much as maybe it should, but there is not much that we can do about it, is there?? Let's keep our fingers crossed that our freshly installed bunker sand does not disappear into the mighty Condouguinet!

Kevin Mark

Course Superintendent

# September Golf Events

## Message from the Membership Committee

*“as we near the end of summer/“pool season”.*

Carlisle Country Club continues to add new members to our ranks. As I write this update (8/29) we have added 7 new members in August. It is somewhat unusual that new member applications arrive in August, as we near the end of summer/“pool season”. However it certainly confirms the word is out.....that CCC is a great family place to enjoy the activities.

We completed a couple of initiatives this month. We had our biggest “Member for a Day” outing (40 golfers) and also sent “invitations to rejoin” to some of our past members. Our biggest success has been CCC’s increased presence in social media. This presence has brought us over 40 inquiries on membership in August.

As I mentioned, we are getting closer to our goal of 220 golfing members. We under 10 new memberships away from the goal! Our review/target date is October 31<sup>st</sup>. As I continue to remind everyone, our members prior to 3/1/2021 will no longer be required to pay the monthly “mortgage rate” once we hit the 220 full golfing members. A savings of \$840/year. Please continue to spread the good word of our increased energy and activities! There is no substitute for “word of mouth”.

Again thanks to all our members for breathing life back into our club. It is all of the members who became involved and embraced our turn around which is generating the energy we now have.

I look forward to enjoying our beautiful course during the fall and remaining 4 months of the year, my favorite time to play!

## New Member Initiative 2021—2022

CCC Members,

We need your help to build our Membership.

As you know, the key element to maintaining a healthy club is to have a fully subscribed, engaged, and active Membership; all successful Clubs share these traits. The Club will do their part by enhancing the Member Experience through expanded programming and increasing the quality of goods and services. The many Members that attended one of our “New Dues Structure” sessions the last weekend of February have insight as to our strategy. We have set a couple of bell weather goals to attain over the next 18-24 months that will ultimately benefit established Members. Essentially, we will be offering Memberships to new prospects at very attractive rates plus their food minimum and no mortgage fee for new Members. When we reach our 1st goal of attaining 220 total Golfing Memberships we will pass along the same benefit of no mortgage fee for all existing Members as a thank you. We currently have ~218 Golfing Memberships. Then, when we reach our ultimate goal of attaining 290 total Golfing Memberships, we will thank our existing Members by lowering all their current dues rates down to the New Member rate. New Memberships will require a 1 year commitment and then a 90 day written notice to resign, if desired.

New Member Dues Rates beginning March 1st for Golfing Memberships by age

	<u>Age Category</u>		
<u>Membership Type</u>	<u>Under 30</u>	<u>30—39</u>	<u>40 &amp; Over</u>
Family Golf Membership (Multiple Golfers)	\$299	\$345	\$420
Family Single Golf Membership (One Golfer)	\$245	\$275	\$345

## Message from our Front of House Manager

Happy September! I hope everyone had a wonderful summer!

Unfortunately with summer coming to an end, over half of our staff has returned to school. Thank you for your patience as we try to get new staff hired and trained. During this time, reservations would be extremely beneficial, to help ensure the best service possible. If reservations are full for the time you'd like to dine, we can encourage you to come a short time earlier or later, to provide you with a better experience. Thank you for your continued patronage during these times.

As we head into fall, be on the lookout for fall themed drink specials, beginning soon! Our Sam Adams Summer Ale is no longer available, in place will be "Desperate Times" Pineapple Kolsch. We will be transitioning to our fall beer later this month!

Shout out to Don and Barb Geistwhite for the Bluecoat Gin recommendation, now available at the bar!

Lastly, continuing from last month, many items are still out of stock from our food and beverage reps. We are doing our best to keep your favorite items in stock! Sorry for any inconvenience.

We look forward to seeing you all soon!

-Nikki

Labor Day **Sunday** **"All you can eat"** Cookout

Pool opens at 10 am—8 pm / Cookout from noon—3:00 pm

\$24 Adults 13 and over / \$12 Youth 5-12

Snack Shack available afterwards

## **MENU**

Please add your positive experiences and pictures that might enhance new Member growth.

We are also on Twitter and Instagram

# ANNOUNCING

## A Great New Member Value

### Just for being a Member of Carlisle CC

Your club has just signed into an agreement with ClubCorp, a Dallas based Private Club Management Company that owns over 200 clubs across the nation And Manages quite a few more owned by others. We will become a ClubLife Affiliate Club to their network along with about 150 other clubs around the nation, which have no other affiliation with ClubCorp other than belonging to this network of over 400 reciprocal clubs nationwide.

CCC Members now have reciprocal membership rights for our Members to use every one of these clubs up to twice per month, every Month, while they are travelling away from our southcentral PA region. There are also great dining discounts available at participating City and Stadium Clubs. Additionally, there are special offers available at renowned resorts and destinations, plus great hotel benefits, Car rentals, and more (fees may apply).

As an Affiliate Member, when playing a network course, you would pay "Guest of a Member" greens fees plus cart fee, and be able to book a tee time 14 days in advance. Any guests you may bring (up to 7) would pay the same. There is an optional upgrade to "Play Away" benefits and play most courses for cart fee only, and a few premium clubs for \$25 + cart fee. which is a huge savings off the greens fee at many of these clubs. As a Play Away Member, you would be able to book tee times 30 days out.

Please keep your eye open for further communication on this great Member value. We will be holding a Town Hall style kickoff event for this program in Early October. Larry Hickman from ClubCorp will fly in from Dallas to lead the gathering and give a detailed presentation and answer any questions you may have. Everyone should really make every effort to attend, especially if you are a golfing Member who likes to travel.
