

Dear Member,

Please find enclosed in this letter information on our package offerings for 2022. Please indicate what packages you would like on the next page and fax or mail it into us at the golf shop before March 1, 2022. **This year, you may also sign up for the Hole in One Club as well as the Ringer Tournament right on your package signup form.** You may still sign up for these events in the Pro Shop before they begin as well. This letter is also available to download on the Club Website at [www.carlislecountryclub.com](http://www.carlislecountryclub.com). If you have any questions on this please do not hesitate to call us in the golf shop at (717) 243-6866.

A package of 20, 18-hole cart rides is available to you for \$440.00 plus tax. On our books we break this down as 40, 9-hole rides should you wish to ride just nine holes. A normal 18-hole cart fee will be \$25.00 plus tax in 2022. Purchasing a package will save you \$3.00 per ride or a total of \$60.00 for twenty rides. Cart packages can be used within a family or when bringing guests to the club. In 2022, you will also have the option of purchasing a season unlimited pass which enables you to take a cart whenever you want for as many holes as you want for the entire season. The price for this is \$760.00 plus tax for one person and \$1125.00 plus tax for two people.

Range packages for 2022 are unchanged and available as follows. A family range package is available for \$200.00 and a single range package is available for \$150.00. Range packages allow you unlimited practice balls on the warm-up range and lower range. We no longer use small, medium and large buckets on the range as the practice balls will be out on the range for you whenever it is open. If you do not purchase a range package there will be a \$5.00 "Range Usage" fee per person per day should you wish to use the range for a warm up or a practice session. Weather permitting the practice facilities will be open from April through November in 2022.

Bag storage fees for 2022 are \$100.00. Collapsible cart storage is available at a rate of \$100.00 also. Please remember that collapsible carts must be folded up, fit within and be stored in a club/bag storage space in the bag room. If your pushcart does not fit within a bag storage space you will not be able to store it here without a power cart storage space.

Power cart storage in the bag room is currently full, with a waitlist. The price for power cart storage is \$250.00. Members who have this service have been contacted to see if they want to continue it in 2022. If you are interested in being put on the waitlist for this service, please call us in the Pro Shop.

2022 GHIN Handicaps. A \$30 fee will be charged out to all golfing members on April 25<sup>th</sup>, 2022. Junior Members 6 to 17 years old, receive a complimentary handicap through GAP.

Please send in the attached page no later than March 1<sup>st</sup>, 2022. Remember that packages expire on December 31 and are non-transferable between members. If you have any questions at all, please do not hesitate to call us at (717) 243-6866.
