# Message from the President

On behalf of the Board,

I hope everyone had a great Thanksgiving and is looking forward to a wonderful Holiday Season!

Membership continues to grow at a fast pace, including 11 new members who joined in the month of November as part of our 'Winter Incentive Program.' Special thanks to Dennis McKendry and the Membership Committee for their continued efforts to drive membership growth and thanks to all members who have recruited friends to our Club in 2021.

The course is in excellent shape, especially considering the time of year. Greens over the last month were fabulous and the fact that they were in such great condition in November is testament to the efforts of our hard working greens staff. Their work on behalf of our Club is greatly appreciated.

We hope you had the opportunity to join our fellow members in the November House activities and that you are able to take advantage and enjoy upcoming events in December. Please take time to review the events scheduled for December which are highlighted in this month's Crier and look out for the updates in the weekly Mini Crier.

Thanks again for your support of the Club and special thanks as well to all the new members that have joined CCC in 2021. We wish all of you a Happy and Memorable Holiday Season!

Rob

# Message from our General Manager

Hello CCC Members-

'Tis the season! As I write this everyone is busy managing Thanksgiving leftovers and cataloging all the fond Memories of yesterday's feast. Next up, Christmas decorating and working up all the Club events that will transpire over the next month or so.

First up is CCC Book Club Christmas Luncheon served on Thursday, December 2nd, remember, no reading assignment this month, just sheer partying is all that is on the agenda. Then we roll right into Gingerbread House Decorating with a evening event on Friday the 3rd starting at 5:00 pm through 8:00 pm, Be sure to place your family's reservation now! We will need to know how many Adults and children will be enjoying the Gingerbread Buffet as well as how many houses you would like to decorate. We will provide some candies and frosting for decorating, but you are welcome to bring some of your favorites as well.

Next in line is Christmas Prime Rib Night to be held on Saturday , December 11th, 5:00—8:00 pm. Live Christmas Carols performed by Marie Mazziotti. To best serve our Membership on what we anticipate will be a busy night, we are serving this Buffet style with a carving action station for expedient service. Additionally, to add to the festive nature of this event we will be having an Ugly Sweater Contest, so **“Dress your Best!”** **“Winner, Winner, Prime Rib Dinner”** Winner's dinner is on the House! See flyer in this publication for further details. Make your reservation today!

The next “Don’t Miss” event in Friday the 17th with Nikki’s “Christmas Martini Madness” Celebration featuring an array of specialty Custom Martinis and a nice variety of “Tapas styled” heavy hors d’oeuvres for your utter indulgence and enjoyment. Again see flyer for further details. Certainly not to be out-done is ole Saint Nick, aka—Santa Claus with our annual Family Santa Sunday Brunch! Bring the whole family for this longstanding Club Tradition Be sure to make your reservation early, this event always sells out!

Much as with Thanksgiving, we will be offering a Heat-N-Serve Christmas Dinner to-go. Orders must be received by 3:00 pm on Sunday, December 19th for pick up between 11am—2 pm on Christmas Eve, Friday, the 24th. Please see flyer for additional details. Place orders with Vince, Nikki, or Kyrsten. Please note that when we close the Club at 2:00 pm on Christmas Eve, we will remain closed throughout the weekend so as our loyal employees might have a chance to travel to be with their families over Christmas. We will open on Wednesday, the 29th for regular hours; please plan accordingly. If playable, the course will be open to walkers, but the Club proper will remain closed during this time.

As the year’s grand finale, Don’t miss our elegant New Year’s Eve Dinner. We will be offering two seatings for this multi course dinner, the 1st at 6:00 pm and the 2nd at 8:00 pm this will allow for everyone to enjoy a great dinner with family and friends and still be able to have Members and Staff be able to make it to other parties and social gathering for the midnight festivities.

Happy New Year, y’all,

Vince

# Message from our Golf Pro

From the Pro Shop:

Hello Carlisle Members

The end of the golf season is upon us and I'd like to say thank you to all the CCC members for bearing with us this year. 2022 is gearing up to be a great season as we continue to drive new members and add events on our calendar.

We are adding a Tuesday Night 2-Man Golf League this coming year. I'm going to bring back the Couples Championship and President's Cup along with more fun events. One such event will be an organized bus trip to the USGA Museum and a day of Golf for any Members who are interested; stay tuned for details.

The 2021 Member-Guest was a huge success. It was on hiatus for a few years, but with the help of Tyler Bauer, Marc Bauer, Christian Bors and all the sponsors, it came back in a big way. We had 36 Teams, 6 Flights, Five 9-hole Matches, a Shoot-Out, Contests, Great Gifts and an awesome Cook Out. This year we are adding: 2 more flights and 12 Teams. I highly recommend when the entry comes out, to get yourself a guest and participate in this highlighted club tournament.

In December we will be having a 20% off all merchandise in the shop. We're still a little thin on certain items like Gloves, Grips, Balls and Hats, but I've been assured by my Reps that we will have these items before the 2022 season begins.

If I don't see you, please have a wonderful and blessed Christmas with family and friends. And if you're headed somewhere warm for the winter.....I'm jealous. Lol

"You swing your best when you have the fewest things to think about."

Play well,

Daniel Baker, PGA

## Message from our Golf Course Superintendent

The holidays are here! Heck, it even snowed last night!!

It's hard to believe that 2021 is winding down to a close and another year is upon us. As always I like to view this as an opportunity to both look back at the season and forward to the future.

I want to update everyone on the routine ongoings of the golf course maintenance department. The irrigation system was successfully blown out this past week. We almost had an issue with our compressor not being available from the rental company, however Skip did a fantastic job pivoting and secured a slightly larger one from another outfit. As usual it was a cold, windy day, not ideal for messing with water, but we accomplished it close to within a normal day. Our winterization of the pump house is a service that we contract out to ensure all components are properly prepared for the winter months. During their inspection a small fitting was found that will need to be replaced, nothing major by any means, especially considering the age of our system.

Let's talk trees, our favorite discussion point! We have removed two trees thus far off of the approved list. We will continue to pick away at this list throughout the winter months, hopefully able to make some headway on the many dead/decaying trees on the creek bank. The other topic related to trees would be the leaves making a mess everywhere. It never ceases to amaze me how clean an area looks after being picked clean of leaves, only to immediately return to a disheveled state after a sturdy gust of wind. This year has been a little odd as it seemed that a bunch of leaves dropped early, yet looking up in the trees last week a daunting amount remains. I fear we will be battling this for the majority of December, but it has to end at some point, right??

I think overall the golf course was a success this past year. I'm not sure that our green speed ever necessarily reached its peak, however I think they were more consistent this year. Fairways are a bit dinged up in spots, but definitely not from the fairy ring disease that we have been battling recently. We are committed to making strides on some of our steeper fairway areas for 2022. Some of this definitely stems from lack of/malfunctioning irrigation, obviously making it difficult for us to maintain a full stand of turf in these areas.

Fortunately many of them are not landing areas and do not see a lot of golf traffic.

Let's hope that there are a few decent golf days remaining to wrap up 2021. If so, we will see you out there!!

Kevin Mark

Golf Course Superintendent

# December Golf Events

Have a Very Merry Christmas and a Happy New Year!

## Club Contact Information

### Members—Please Note

As most of you know, the Club is updating nearly all of its technology with new equipment and some new software. Part of that will include a new email service provider, meaning that everyone working at the Club will be getting new email addresses very soon. We will notify everyone of the changes when they are about to occur. Please be prepared to change the information in your contact lists when this happens. We will be in touch through multiple platforms to relay this information.

All Club emails will take the form:  
[firstname.lastname@carlislecc.org](mailto:firstname.lastname@carlislecc.org)

**Christmas**

## Message from the Membership Committee Chair

### MEMBERSHIP COMMITTEE NEWS

I guess the first frost delay of the fall, means golf season is winding down. I still plan on playing, on any sunny and calm day. I'd argue the saying "good walk spoiled"! This weather is perfect for a good walking round of golf, on our beautiful golf course. Just layer up!

I hope our social members and non-golfing spouses have had a chance to take advantage of the waiving of greens fees, for the next few months. Of course, it is my hope, that you fall in love with the game and will join us as a full golfing member. All you need to do is call the pro shop, who will put you on the tee sheet and check in when you arrive to play.

Another first time program was also instituted this month. New member "Winter Incentive Program" allows new approved members to play golf for free until next spring, when they will begin paying dues at the current rate. My original thought was we would get a few hardy souls who enjoy winter golf. We have already 11 new members this month! Just an amazing response! This might just a one year program, so act now! Thanks to all that are spreading the message. Also, if you can, please join us for the New Member Orientation at 1:00 on Sunday, Dec. 12. to welcome some new Members.

I've developed a habit of "eyeballing" the new membership packets which sit inside the front door of the foyer. I watch as these packets numbers wax and wane. To me, it means members are taking these to show to prospective members and the CCC staff is replacing them. Thank you all for your efforts!

On another note, if anyone wants to make a formal commitment to the Membership Committee, we have some open seats on our committee, just email me. Enjoy the upcoming holidays and hope it is filled with the peace of the season.

Now onto 2022! I see "290" golfing members in our future (refer to last month's Crier, if you don't know about the 290 goal).

**Dennis McKendry**  
**Membership Committee**

# Frost Delays

## How can a footprint be a killer?

It's hard to believe that simply walking or driving a cart across the turf covered with frost can cause so much damage. The proof will be there in a few days as the turfgrass is severely damaged and leaves a trail of cart tracks or brown footprints. That's why most courses will delay starting times until the frost has melted. It's also why golfers who appreciate a quality golf course will be patient during frost delays.

## Why does frost cause problems?

All of the turf on the course is fragile. All fine turf surfaces are extremely fragile environments that must be managed carefully and professionally. Remember that every surface is a collection of millions of individual grass plants, each of which is a delicate living thing. Obviously, Mother Nature never meant for these plants to be maintained at such low heights and intense traffic for prolonged periods. This stress makes the turf constantly vulnerable to attacks from insects, disease, heat, drought, cold, -- and frost. Frost is essentially frozen dew. It can form when the temperature (or wind chill) is near or below the freezing point. The ice crystals that form on the outside of the plant can harden or even freeze the cell structure of the plant. When frosted, the normally resilient plant cells become brittle and are easily crushed. When the cell membranes are damaged, the plant loses its ability to function normally. It's similar to cracking an egg. Once the shell is broken, you can't put it back together.

## Please welcome our newest Member

**Justin & Alicia Stezin**

## Message from our F & B Manager

Happy Holidays, CCC Members,

We look forward to the month of December and all the joy we can help bring your families. We are going to be removing some of the summer season specialties such as Chicken Salad, Tuna Salad, Fish Tacos, and Fruit Cups and replace them with items such as a Winter Salad, Lamb Chops, Braised Short Ribs of Beef, and Chicken Piccata. We have several festive events coming up throughout the month of December, please see all the advertisements throughout this edition of “The Crier”.

I look forward to seeing everyone in their “Ugly Christmas Sweater” on Prime Rib Night. Ugliest Sweater, as voted on by the staff, will receive their dinner “Compliments of the House”.

See you at the carving station,

Kyrsten

## Message from our Front of House Manager

Hello Members! Happy Holidays!

December Drink Specials: Candy Cane Martini, Santa Hat Martini, Salted Caramel White Russian

Winter Beer Special: Yuengling Hershey's Chocolate Porter

Christmas is less than a month away! I am looking forward to this month and all of the fun events we have coming up. Our annual Martini Madness, Gingerbread House Building, Santa Brunch and more! Please get your reservations in early, as spots will fill up fast!

Looking to the end of the month, we are planning a New Year's Eve Gourmet Dinner. This will be much like our Valentine's Day Dinner. Reservation spaces are limited for this event!

Just a reminder, many items are still out of stock from our food and beverage reps. We are doing our best to keep your favorite items in stock! Sorry for any inconvenience.

Hope to see you all soon!! Nikki Roddy

# ANNOUNCING

## A Great New Member Value

### Just for being a Member of Carlisle CC

Your club has just signed into an agreement with ClubCorp, a Dallas based Private Club Management Company that owns over 200 clubs across the nation And Manages quite a few more owned by others. We will become a ClubLife Affiliate Club to their network along with about 150 other clubs around the nation, which have no other affiliation with ClubCorp other than belonging to this network of over 400 reciprocal clubs nationwide.

CCC Members now have reciprocal membership rights for our Members to use every one of these clubs up to twice per month, every Month, while they are travelling away from our southcentral PA region. There are also great dining discounts available at participating City and Stadium Clubs. Additionally, there are special offers available at renowned resorts and destinations, plus great hotel benefits, Car rentals, and more (fees may apply).

As an Affiliate Member, when playing a network course, you would pay “Guest of a Member” greens fees plus cart fee, and be able to book a tee time 14 days in advance. Any guests you may bring (up to 7) would pay the same. There is an optional upgrade to “Play Away” benefits and play most courses for cart fee only, and a few premium clubs for \$25 + cart fee. which is a huge savings off the greens fee at many of these clubs. As a Play Away Member, you would be able to book tee times 30 days out.

Everyone should really make every effort to attend, especially if you are a golfing Member who likes to travel.

## Carlisle Country Club Book Club

In order to effectively contribute to the discussion of book selections, we encourage everyone to read each book since that is the primary focus of the CCC Book Club. Only CCC members are eligible to join the Book Club. We plan to set this meeting, well spaced, in the Carlisle Room. Please be sure to make or cancel your luncheon reservation every month by calling: 717-243-6100

Thursday, December 2nd—Lucy C.

# Fun at Your Club!!!

# If You're Not Visiting the Club Regularly, You're Missing Out!

# Bogey Bunch 2022

## Nine Hole Women's Golf League

### Registration Form

You are cordially invited to join our women's golf group for a morning of serious fun and nine great holes of golf. It all happens on Tuesday mornings. Tee-off times are between 8:30 AM – 9:45 AM. There is plenty of time to get the kids off to school or have that second cup of coffee.

All levels of play are welcome. You need a few clubs, a sense of humor, and a friendly attitude. This is the group to join to learn the game, the rules, and the etiquette of golf. If you feel you need to play more than nine holes there is always someone willing to play along.

The registration is \$50.00 payable to Bogey Bunch. Please fill out the application below, detach and mail with your check by March 30, 2022 to:

Vicki A. Baker  
C/O Carlisle Country Club  
1242 Harrisburg Pike  
Carlisle, PA 17013

We look forward to seeing old friends and meeting new ones. There will be an Organizational Breakfast on Tuesday, April 12th, 2022 at the Club beginning at 9:00 am.

If you have any questions please contact Vicki Baker (717) 701-3054.
