# Message from the President

Happy Halloween Everyone,

No message this month, I'll see you around the Club.

Rob

# Message from our General Manager

Happy Fall Everyone!

We are in the midst of some very pleasant weather with daytime highs in the 70's each day, making for some great Golf weather. We know it's a minor inconvenience for some golfers, but the aerifications we are doing this week and next are the necessary evils of maintaining a pristine course; all great courses do it. Unfortunately, CCC has not done our fairways since 2017 so we are well overdue on what should be an annual process. With the nice weather, we will be back in really good shape in no time.

We have lots of fun activities planned for you and your families this month so be sure to mark your calendar accordingly:

- ◇ Oct. 08—Shrimp Night
- ◇ Oct. 13—ClubCorp Alliance Club Reciprocal Program Kickoff
- ◇ Oct. 15—Music & Manhattans Happy Hour
- ◇ Oct. 16—Night Golf
- ◇ Oct. 23— Closing Day Members Tournament
- ◇ Oct. 23— Member Chili Cook Off and BeerFest
- ◇ Oct. 29—Halloween FrightFest Party

You don't want to miss any of these fun events! Please remember, though reservations are not required for daily luncheons or dinners, they are greatly appreciated if you know in advance so we can position our limited resources effectively. For the bigger, structured events, reservations are required so we can plan appropriately; many thanks in advance for your adherence to this request.

For a little added fun, we have put a Pumpkin Patch in the dining room and we are going to hold a little contest starting next week. We are giving out an entry blank with each ticket when you dine with us and asking you to **guess the combined total weight of all the pumpkins, gourdes and corns on the display**; closest without going over wins. Dine often, play often. Winner receives dinner for 2 with a bottle of wine.

To many frights and big delights,

Vince

# Message from our Golf Pro

**USA, USA, USA**

Hello Members,

What a great win for the USA, whooping up on Europe 19-9 for a new Ryder Cup record. I hope you all watched and saw some great golf.

Here it is October and the season is quickly coming to an end. Thank you to all golfing members who saw us struggle a bit this first year with limited help, but kudos to the employees who stuck it out and thank you to those members who stepped up and helped out when needed.

The new Titleist range balls are a big hit and the golf committee has approved new hitting mats for the range, which will be here for opening golf season 2022.

I'm working with "Next Shot Golf" again for this winter. If you did not get a chance to use the indoor simulator earlier this year, I'm trying to work out a deal with them, that it will be available for our members from Dec. 1<sup>st</sup> – March 2022. Look for more details later.

One of the big swing thoughts on Tour is "Swing Speed" not "Strength". Which is something I totally agree with. You can be strong as an ox, but without "Speed" the ball will not travel as far. One quick tip I can give you to increase clubhead speed, is to widen your stance. When you use a wide stance, you are committing to the rotational form of creating power; especially with your Driver.

Standing with your feet too close together, (meaning anything less than shoulder width apart), limits the arc of your swing and creates an overly steep path to the ball. This can cause popped-up drives and other assorted mishits.

A wider stance also creates tension between the upper and lower bodies on the backswing and the unwinding of this tension on the downswing produces extra power. Just look at Bryson Dechambeau.

There is still some great weather left for us to play and practice. So don't put the clubs away just yet.

Play well,

Daniel Baker, PGA

**HAPPY HALLOWEEN**

## Message from our Golf Course Superintendent

Fall...a breath of fresh air! It has been a year and we are ready to put the summer behind us. The cool nights that fall offers is not only refreshing for us, but also the turf. Grass plants will now switch their focus from growing above ground to pushing energy towards their roots. It is important for us to support and supplement the turf as best we can to ensure winter survival as well as a good start to next spring. A cornerstone to this success is of course that infamous “A” word that everyone loves to hate, Aeration!

It has been a solid year and a half since we have performed a core aeration on our putting surfaces. Pulling and removing cores is important because we are eliminating a percentage of organic matter. As a quick reminder, all of those holes out there only affects 7.7% of surface area...don't blame me, blame math! Our upper rootzone in our greens is actually a very good growing medium, after decades of aeration and sand topdressing.

While fully filling these holes with fresh sand is always the goal, it is also very difficult to achieve, with our resources arguably impossible. Unfortunately the sand particles we are using are angular in nature, and when you drag a bunch of angular particles around they tend to “bridge” at some point over the surface of the holes, most likely before completely full. I have seen ways to ensure holes get filled, but trust me, you cannot afford it! Due to some scheduling issues we will still be performing a deep-tine aeration to the greens which will be happening on Wednesday. This is a solid tine that goes 12” deep and shatters the soil profile. This process is extremely beneficial for our greens because at that depth our soil structure is less than desirable and difficult for our roots to penetrate. Following that we will be introducing another aspect to our aeration process that I hope will be the first of many times and something I think you will all thoroughly appreciate!

Coming up this week...more holes of course, this time the majority will be on fairways. Mother Nature is doing her thing with some uncertainty in the forecast. We were approved to core fairways via a contract service, and it is something that our fairways desperately need. The process entails pulling cores, allowing them to dry, dragging them around to separate the top plant material and thatch from the soil, and then sweeping up what remains and blowing the fairways clean.

(Continued on next page)

# Message from our Golf Course Superintendent

(Continued)

Obviously any kind of moisture, even just overcast conditions, does not allow for a very clean finished product. This is something I do not want to risk, and with very limited availability moving forward for the company, I have decided to solid tine the fairways. This will still be very beneficial as it will reduce compaction and provide fresh oxygen to the roots. We will be following this with a sand topdressing on the fairways as well as inter-seeding them with a blend of existing and new varieties of bentgrass. I am very excited to complete this work on the fairways and appreciate the support we have received.

Kevin Mark

Course Superintendent

Probably one of the prettier sights for a golf course superintendent, not so much for golfers! I am very pleased with our healing thus far considering we have not finished our fertilization to encourage growth. This will happen after the deep-tine process is completed. We performed out traditional aerification, which is a 5/8" diameter hole on a 2"x2" spacing. With so much sand and some fertilizer on the greens it is always difficult to roll them because it basically has to be completely dry, otherwise we will pick up and remove the sand and fertilizer that we just put down. They have been rolled once and will probably be getting their first haircut on Monday. Looking forward to getting these greens back in shape for our membership to still enjoy some fantastic fall golf!

# NIGHT GOLF

Sign up today—we need at least 28 players to hold event

Come play the most fun game  
in town

## **NIGHT GOLF**

We still have a several spots  
left that we need to fill.

Only \$36 per player.

Saturday, Oct 16th, 7:00 pm

**One of the best couples games around!**

**Dress up your Cart, Finn Cycle, or Rickshaw!**

**And wear your Glow Stick adornment!**

**The Restaurant will be featuring an Italian Pasta Bar for your  
pre-golf dining convenience**

**5:30—8:30 pm      \$23++ per person**

**All Members welcome to enjoy the Pasta Bar!**

**Penne or Linguini Pasta, Alfredo or Marinara Sauce, Italian Meatballs or  
Grilled Chicken,**

**Variety of Toppings, Garlic Bread**

**Meat & Cheese Lasagna, Italian Flat Breads, Caesar Salad**

# October Golf Events

October 4th, 5th, & 6th Fall Fairway Aerification—Golf Course Closed

October 13th—ClubCorp “Alliance Club” Reciprocal Presentation

October 14th—ClubCorp on the 18th Green

October 16th—Night Golf

October 21st—AM Senior Men’s Closing Day

October 23rd—Member’s Closing Day

## Message from the Membership Committee Chair

### MEMBERSHIP COMMITTEE NEWS

9/30/2021

Summer is officially over, but we continue to add new golfing and social members since my report last month in the Crier. Our social media campaign and word of mouth is generating many membership inquiries. Thanks to all for making this happen.

To update everyone.... October 31<sup>st</sup> is our first evaluation date for accessing full golfing membership numbers. If we are at 220 or more full golfing members, everyone who was a member prior to 3/1/2021, will lose the \$840 mortgage/capital improvement assessment obligation! Our next evaluation date according to the approved plan will be 4/30/2022. We need to add at least 7 new members within the next month to receive this reduction in dues. SO.... If you have been nudging some folks to join, it might be time for some arm twisting! LET'S NOT MISS THIS OPPORTUNITY TO SAVE SOME MONEY! Also, history tells us in the fall, some of our members leave us for varying reasons; retiring from golf, moving to warm climates etc. we will need to fill those spots as we move towards the 220 full golfing member count.

We continue to work on some more initiatives to bring new members to our club. I have heard ideas about: winter golf membership incentive, house membership to our local neighbors, winter golf leagues and house events, such as, Poker Night, Dinner theater, indoor sports games, live music and a plethora of other ideas. It is certainly a fun and exciting time to be a member at Carlisle Country Club!

Don't forget, there are new membership packets to your right as you enter the clubhouse foyer. It never hurts to have one at home, in case a "recruitment opportunity" happens! Vince can also send you one electronically, just let him know you want one.

Fall is still my favorite time of year to play golf. The humidity is gone and the green grass and colorful trees, just add a whole new appreciation of our course. See you around the club!

**Dennis McKendry**  
**Membership Committee**

# Membership

**Please welcome our newest Member Families from September:**

Todd & Peggy Starbuck

Michael & Georgeann Maguire

Jeffrey & Judith Walter

## **New Member Initiative 2021—2022**

CCC Members,

**We need your help to build our Membership.**

**As you know, the key element to maintaining a healthy club is to have a fully subscribed, engaged, and active Membership; all successful Clubs share these traits.**

**The Club will do their part by enhancing the Member Experience through expanded programming and increasing the quality of goods and services. The many Members that attended one of our “New Dues Structure” sessions the last weekend of February have insight as to our strategy. We have set a couple of bell weather goals to attain over the next 18-24 months that will ultimately benefit established Members. Essentially, we will be offering Memberships to new prospects at very attractive rates plus their food minimum and no mortgage fee for new Members. When we reach our 1st goal of attaining 220 total Golfing Memberships we will pass along the same benefit of no mortgage fee for all existing Members as a thank you. We currently have ~218 Golfing Memberships. Then, when we reach our ultimate goal of attaining 290 total Golfing Memberships, we will thank our existing Members by lowering all their current dues rates down to the New Member rate. New Memberships will require a 1 year commitment and then a 90 day written notice to resign, if desired.**

## Message from our Food & Beverage

Hello CCC members!

Happy fall! This is my Favorite time of year and I can't wait to spend it with you. We have many exciting events in store for you this month, just a sneak peek we have Shrimp Night, Manhattan themed Happy hour and live music, Night Golf, Chili and Beer Fest, and of course being spooky season; Halloween!

As previously stated we are still having trouble trying to bring in some select items. There will be some slight increases on the number of menu items; as well as, some new menu items such as a Patty Melt, a Club Sandwich, Chicken Piccata, and several more. Each newly added item will have the word "New" beside it. Ask your server about our weekly Flatbread Specials. We now have several gluten free options, including Cauliflower Crust, Gluten Free Sliced Bread, Hamburger Buns, Dinner Rolls, and even a Dessert!

I look forward to seeing you around the Club this Spooky Season! Kyrsten

## Message from our Front of House Manager

Hello Members! Happy Fall!

Come in and check out some new additions to our bar menu!

Fall Drink Specials: Red Apple Martini, Caramel Apple Moscow Mule, Pumpkin Spice White Russian, Bailey's Salted Caramel White Russian

Fall Beer Special: Sam Adams Octoberfest (Draft) New This Month: Red Bull

In addition to these new items, we will be featuring fun Halloween themed cocktails later this month. Please be aware that reservations are still **highly** requested as we continue to try to hire and train new servers.

Just a reminder, many items are still out of stock from our food and beverage reps. We are doing our best to keep your favorite items in stock! Sorry for any inconvenience.

Hope to see you all soon!!

Nikki Roddy

Make your Plans to Join us for:

# Music and Manhattans Happy Hour

Friday, October 15th

5:00 - 8:00 pm

Happy Hour

Offerings:

Half-priced

**Manhattans,**

House Wines,

and Draft Beers

Kyrsten has prepared

Carlisle CC

# ANNOUNCING

## A Great New Member Value

### Just for being a Member of Carlisle CC

Your club has just signed into an agreement with ClubCorp, a Dallas based Private Club Management Company that owns over 200 clubs across the nation And Manages quite a few more owned by others. We will become a ClubLife Affiliate Club to their network along with about 150 other clubs around the nation, which have no other affiliation with Club-Corp other than belonging to this network of over 400 reciprocal clubs nationwide.

CCC Members now have reciprocal membership rights for our Members to use every one of these clubs up to twice per month, every Month, while they are travelling away from our southcentral PA region. There are also great dining discounts available at participating City and Stadium Clubs. Additionally, there are special offers available at renowned resorts and destinations, plus great hotel benefits, Car rentals, and more (fees may apply).

As an Affiliate Member, when playing a network course, you would pay “Guest of a Member” greens fees plus cart fee, and be able to book a tee time 14 days in advance. Any guests you may bring (up to 7) would pay the same. There is an optional upgrade to “Play Away” benefits and play most courses for cart fee only, and a few premium clubs for \$25 + cart fee. which is a huge savings off the greens fee at many of these clubs. As a Play Away Member, you would be able to book tee times 30 days out.

Please keep your eye open for further communication on this great Member value. We will be holding a Town Hall style kickoff event for this program on October 13th at 6:30 pm. Larry Hickman from ClubCorp will fly in from Dallas to lead the gathering and give a detailed presentation and answer any questions you may have. Everyone should really make every effort to attend, especially if you are a golfing Member who likes to travel.

**SAVE THE DATE: Wednesday, October 13, 6:30 pm**
