NEW MEMBER

## WINTER INCENTIVE PROGRAM

**THE PROGRAM:** The new **Winter Incentive Program** very closely mimics the current Membership initiative at Carlisle Country Club.

1. Any new Member who wishes to join CCC on or after 11/1/2021 will have their dues waived through 3/31/2022.
2. New Members will still pay two month's dues upfront, as a non-refundable deposit, just as on our current program.
  - a. These funds will be applied to Apr. & May '22 dues.
  - b. A dues billing will show on your Mar. 31 statement for June '22, and so forth moving forward.
    - i. The New Member will always be ahead with dues just like current program.
3. New Members can pay the dues on a monthly basis starting as of 4/1/2022.
  - a. New Members will have the option to pay annual dues, in line with the Club's fiscal year (May 1<sup>st</sup> – April 30), up front, just as in our current program.
  - b. The typical, approved annual payment discount will be applied; currently 2%.
  - c. 1 year Membership commitment begins April 1<sup>st</sup>, 2022; when dues payments begin.
4. Food Minimums will still apply, from the start, as written in current Membership initiative program.
5. All purchases will be billed in arrears, via monthly statement, just as in our current program.

All other privileges and obligations to CCC are still required:

- eligible for all CCC internal tournaments
- eligible for reciprocity programs
- eligible to participate in all Club programming as allowed by chosen Membership classification
- access to ForeTees and no tee time restrictions
- payment of green fees for guests
- payment of golf/golf shop amenities (range, carts, etc.) will be required
- handicap system fee required
- ACH auto draft will be required just as on current program
- 90 day written notice to resign required after 1 year commitment has been met
- not eligible for voting rights (if elected) until dues payments begin & initiation fee is paid in full
- Any new Memberships under this Winter Incentive Program will not count toward Mortgage Fee reduction goal of 220 on 10-31-21.
