

Interclub Play Program Rules and Procedures

The Interclub Play Program (IPP) is a reciprocity agreement between 24 golf clubs generally in the south-central Pennsylvania area.

Please note that many of the Club's participating no longer offer the "bill-back" option. It is ask that you provide payment, cash or credit card, during your visit.

Program Guidelines

- The base days of play are Tuesday through Friday of each week. Some clubs may choose to allow afternoon play on the weekends when time permits.
- The program is restricted to golfing members of participating clubs. Limited memberships or memberships with severely restricted golf privileges will not be eligible to use the program.
- It is understood that a member club, on certain days, may not be able to entertain guests. When schedules permit, each club has agreed to accept two foursomes of IPP members. If a club chooses, it certainly may allow more than two foursomes on a day.
- All reservations must be made through the Pro Shop staff at participating clubs.
- The fee for play is \$30.00 and includes golf, cart and practice range usage. This fee will be charged even if a player chooses to walk while playing at another club.
- The program is designed for a group of members of one participating club to travel to another participating club. Should two members from one club wish to join two members of another club for golf at a course that participates in the program but neither are members of, this is fine as well. However, if two members of a club wish to host two members of another participating club, the decision to charge greens fees or the reciprocal rate will be left to the discretion of the host club.
- Members have the option of inviting outside guests to join them for play. The outside guest will be billed at the normal clubs normal guest fees.
- Starting times may be reserved one week in advance, for weekend play please call no earlier than the Thursday before to secure a starting time.
- The dress code of the host club must be observed. Only soft or non penetrating spikes will be allowed.
- Visiting members and guests are encouraged to patronize dining services at each club. If a group plans to have dinner at a club they should ask to make reservations at the same time they are checking in at the Pro Shop.

- Many participating clubs are now requiring payment on site for the reciprocal fee of \$30.00 per person to avoid billing issues and delays. All traveling members should be prepared to pay the fee on site via credit card or cash if this is requested by the hosting club.
- No Interclub Play Program member club will be expected to do anything that would be against the policies or well being of their club.
- Visiting member and guest players are encouraged to patronize locker (including shoe service) and dining services at each club.

The reciprocity agreement with clubs participating in the Interclub Play Program provides an excellent way to enhance your golf membership at Carlisle Country Club. We hope you will enjoy an occasional visit to other clubs for both golf and dining experiences.

The Pro Shop staff will be happy to make your arrangements and provide you with directions for your visit to other clubs.
