

MEMBERSHIP CATEGORIES AND ASSOCIATED DUES & FEES (CONT.)

SINGLE GOLF MEMBERSHIP

This family membership includes the designated Member, spouse/significant other, and any *dependent children; but is limited to only one (1) designated family member that would have full access to the golf course and related amenities. Additionally, this designated golf Member will maintain all of the remaining rights and privileges of the Club. The Spouse/significant other and all dependent children are entitled to unlimited use of all other Club facilities to include Aquatics, and Clubhouse Dining, though excluding Golf. The Single Golf Membership does maintain the additional privilege of allowing use of the golf course and related facilities to all non-designate family members, but is limited to 4 times per calendar year with the payment of that appropriate golf fees. Single Golf Members are permitted to purchase a single or family range package which provides unlimited use of the golf practice facilities. Additionally, children and grandchildren of Single Golf Members may participate in swim team and all youth golf camps and clinics.
